Moove with Meridian

We may not be farmers, but Meridian is really good at powering them.

Move with or switch your electricity to Meridian and get your bill through Ruralco to enjoy:

- An **account credit of up to \$300** for each new connection on a new plan*
- A **2% Meridian Energy partnership discount***
- A range of plans and **seasonal pricing** designed to match the rhythms of farming life
- **Support for sustainable energy solutions**, from EVs to solar, with competitive offers

[Visit meridian.co.nz/ruralco](https://www.meridian.co.nz/ruralco) to find out more.

*Terms and conditions apply.

APPLYING YOUR EFFLUENT VIA PIVOTS?

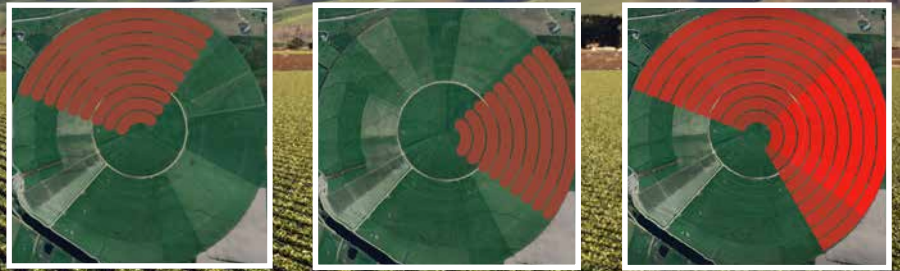

WANT TO USE IT MORE EFFECTIVELY?

Direct injection, by span or by individual dropper... we have the solution!

At Onfarm Data, we have developed a very cost-effective way of showing you where your effluent has been applied.

This allows you to easily manage better distribution and even application to your paddocks.

Local Solar Experts You Can Trust

Energy prices are rising and your power bill is about to get more expensive. Switching to solar will help protect you from ongoing increases and give you long term energy savings.

Now is the time to go Solar

- **FREE** on-site solar assessments
- Custom system recommendations
- Grid-tied · Hybrid battery · Off-grid systems
- Solar for homes, farms & businesses
- Track your savings with smart energy monitoring

Rural & Farming Solar

- Perfect for dairy sheds, pumps, workshops, irrigation & coolstores
- Reduce demand charges and daytime load
- Solar to suit remote and off-grid applications
- Rugged products built for NZ farm environments

Residential Electrical | Dairy | Irrigation | Rural Electrical | Industrial | Commercial
Heating, Ventilation and Air Conditioning | Home Automation | Tool Repairs
